

REMARKS

- The specification has been amended to claim priority upon the parent applications.

The subject matter of this divisional application is claims 1-7. Claims 8-14 are cancelled without prejudice. The multiple dependency of claim 6 has been removed to reduce the PTO filing fee. New claims 15-18 are added corresponding to claim 6. Other minor changes are effected which are self-explanatory.

Favorable action on the merits is solicited.

Respectfully submitted,

Mitsuhiko TANAHASHI et al.
